

How to draw FOX & RABBIT

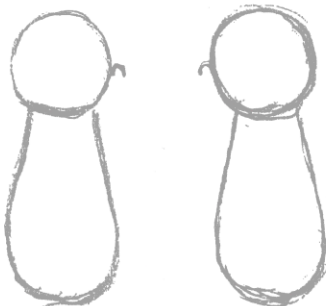

Draw two circles.

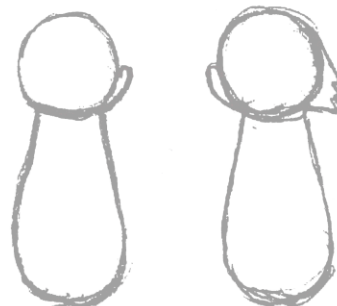

Add the bodies
(a bit shaped like drops)

Add the sniffers.

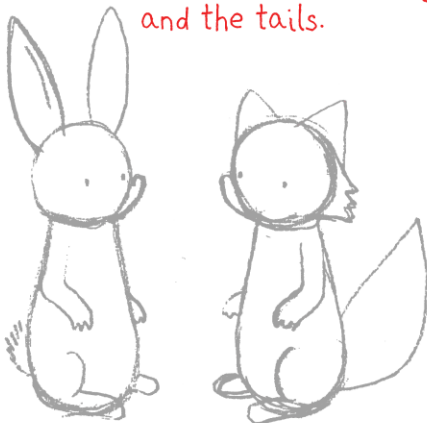

Connect the nose with the circle
to create the outline of the head.

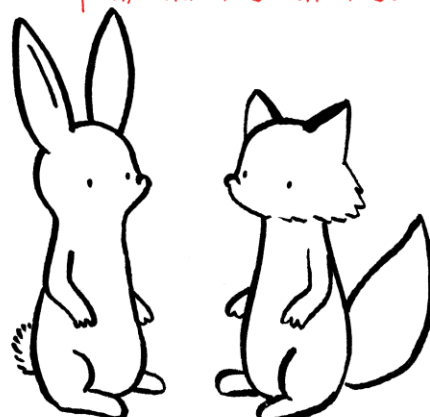

Fox has a beard at the opposite side.

Add the ears, the arms, the legs
and the tails.

Redraw what you need with
a pen, and erase the rest.

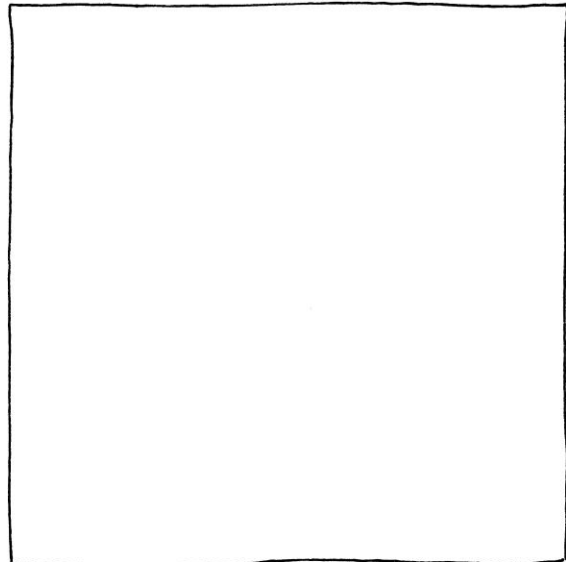

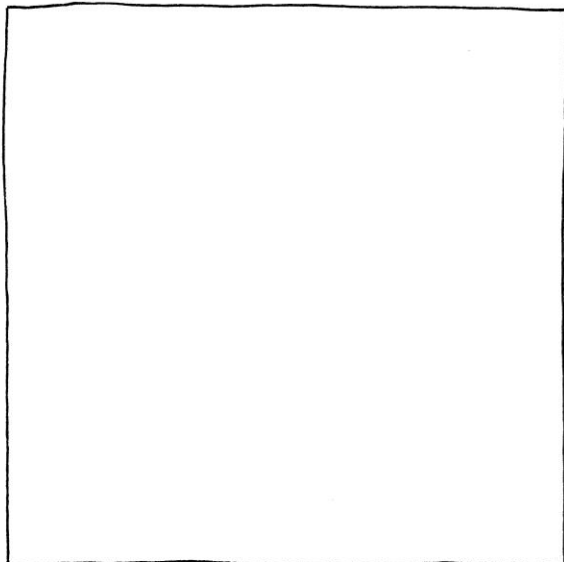

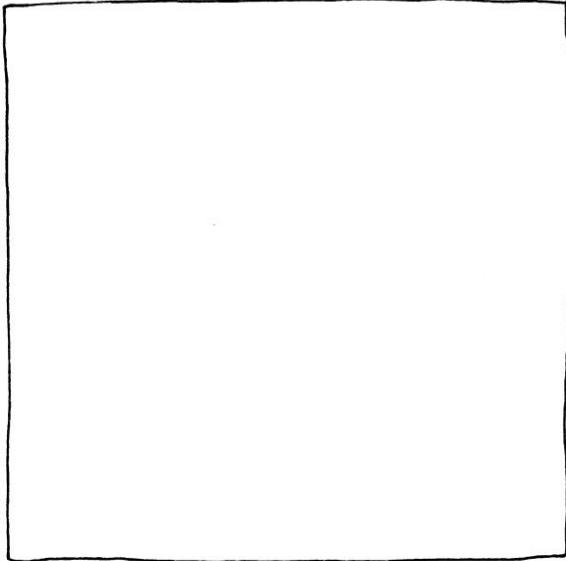

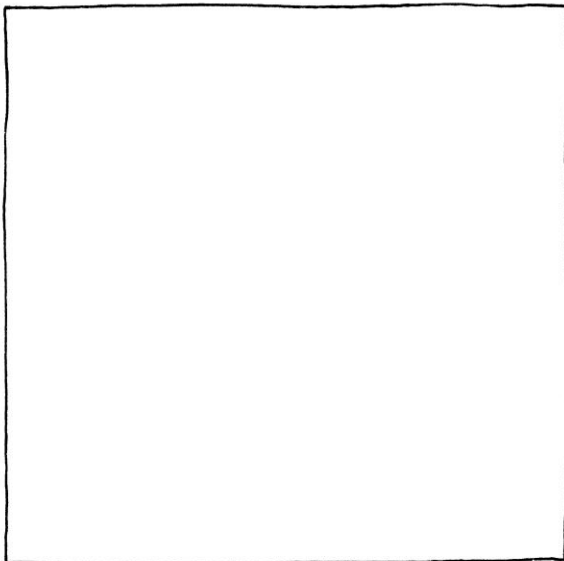

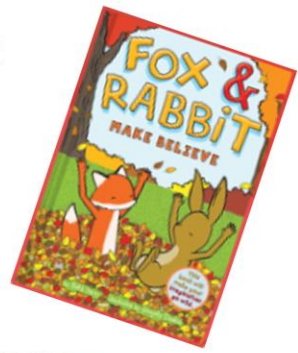

Done! Hooray!

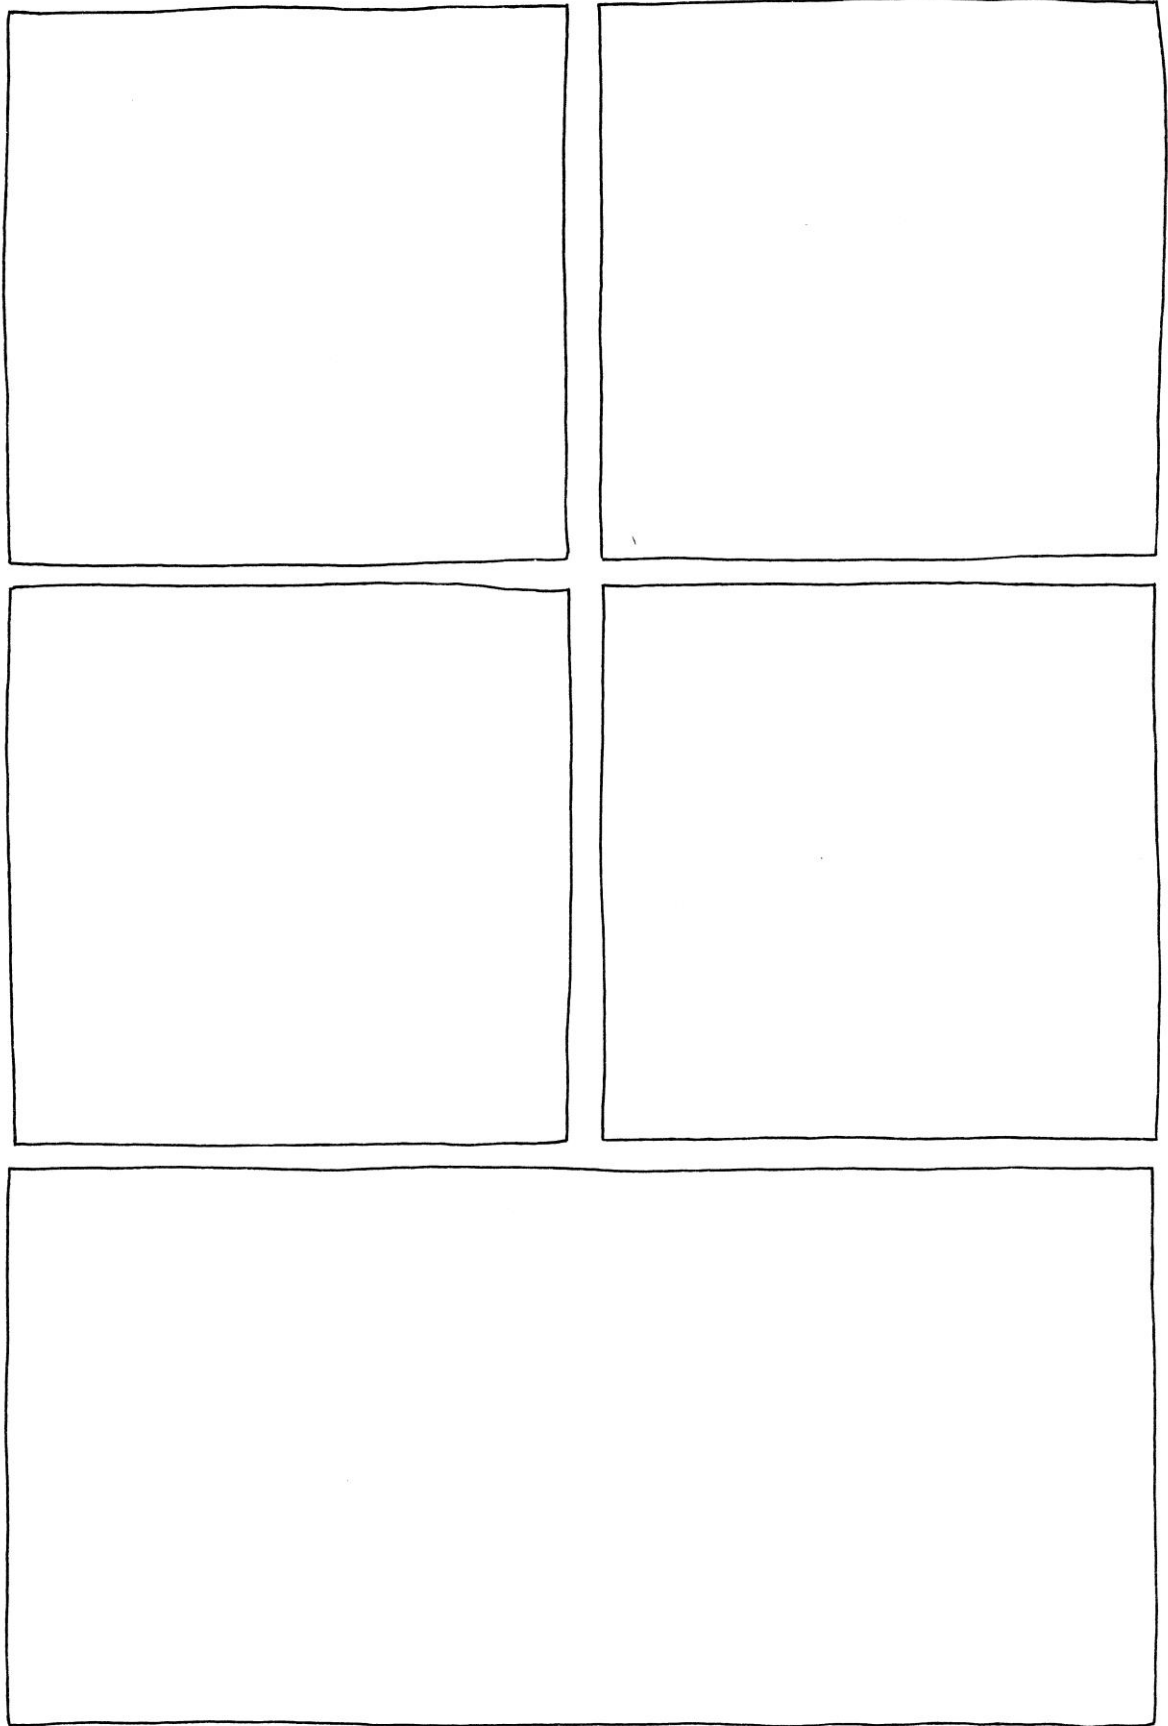

Fill in the blank panels to write your own story!
